> This was my first Mystery Science lesson ever. It is so **easy to prep** and so fun to do!! LOVED it!!!
>
> **Shelly**
> 2nd Grade, OR

> I've taught for almost 30 years and it was the subject I dreaded teaching the most. Now...it's my favorite! The kids have never been **so engaged!**
>
> **Juli**
> 3rd Grade, FL

> Thank you for including people of all colors, all shapes, sizes, and nationalities in your videos. My heart smiles as my students see **scientists that look like them.**
>
> **Christine**
> 4th Grade, OH

> Thank you for having your **lessons and worksheets in Spanish!** I teach Science in Spanish to 64 elementary kids and your resources ROCK.
>
> **Alejandro**
> 3rd Grade, CA
