INTRODUCTION VIDEO

Hi, it's Doug! Today, you're going to read a story about someone named Sofia. She's curious about the animals in the woods near where she lives. You'll read about Sofia and what she does to find out where the animals are. But you aren't just going to read. You'll follow Sofia on her walk in the woods and you'll work with her to figure things out. Sometimes you'll get up and do something, you'll look for clues, or you'll start to talk about your ideas. Let's turn the page and get started.
