Spaceship Earth | Unit Starter

Name: _____

Date: _____ Your Ideas-Version #: _____

A black and white illustration of a night sky filled with stars of varying sizes. Below the sky is a landscape featuring rolling hills, several trees of different shapes, and a body of water in the foreground. A white rectangular box is positioned in the lower center of the image, containing a simple upward-pointing arrow and the text "Looking North" in a bold, sans-serif font.

A diagram showing the Earth and Moon in space. The Earth is a sphere with a black line representing its axis. The Moon is a smaller sphere to the right. The Sun is a large curved line on the left. Numerous small white dots represent stars in the background. Labels with arrows point to 'The Sun', 'Moon', and 'You are here (star trails photo was taken here)' on the Earth's surface.

If you need more space for drawings or notes, use the back of this page.
