

Lesson: How can the Sun help you if you're lost?

east	one of four main directions; if you are facing north, it is to the right
forest	a place with lots of trees
pattern	something that happens again and again and again in a way that can be predicted
predict	to guess what will happen based on things you know
Sun	the large ball of light in the sky during the day
sunrise	when the Sun appears in the morning
sunset	when the Sun disappears in the evening
west	one of four main directions; if you are facing north, it is to the left
