More about our supply packs:

Below is a list of supplies that are included in each grade-level pack. Each supply pack contains supplies for that grade level's NGSS-aligned units. Each pack contains enough supplies for a class of up to 30 students working in groups or pairs. Supplies are organized by lesson for ease of use.

What's not included:

Each classroom is expected to already have pencils, scissors, crayons, paper punches, staplers, clear scotch tape, rulers, yard sticks, mixing bowls, and a range of colored markers. Teachers will need to provide perishables (e.g., apples, milk) and recyclables (newspapers, paper rolls).
