mystery science

Lesson: “How can you knock down the most bowling pins?”

VIDEO TRANSCRIPT

INTRODUCTION VIDEO

Hi, it's Doug! Today, you're going to read a story about someone named Daniel. The first time Daniel went bumper bowling with his friends, he didn't have a very good time, but then he discovered that you don't always have to go in a straight line to get where you're going. You'll read about what Daniel does to solve a problem. But you aren't just going to read. Sometimes you get up and do something, look for clues, or stop to talk about your ideas. Let's turn the page and get started.
