

Lesson: “Why do builders need so many big machines?”

VIDEO TRANSCRIPT

INTRODUCTION VIDEO

Hi, it's Doug! Today, you're going to read a story about someone named Vivian. Vivian lives in a new subdivision, a neighborhood where lots of houses are being built at the same time. You're going to read about what Vivian sees as she's watching big machines building a house. But you aren't just going to read. Sometimes you'll get up and do something, look for clues, or stop to talk about your ideas. Let's turn the page and get started.
