# Vocabulary

## Lesson: How do they make silly sounds in cartoons?

| | |
|---|---|
| **experiment** | a test used to discover new information about a question |
| **rain** | water drops that fall from clouds |
| **sound** | vibrations that you can usually hear with your ears |
| **storm** | weather that usually includes strong wind and rain or snow |
| **thunder** | a rumbling sound during a storm, often after a flash of lightning |
| **vibration** | a quick movement back and forth |
