Note: The short answer "other" sections are optional and have no specific correct answers. Some examples of what students may write are provided.

Sugary Showdown	Name: ANSWER KEY
material 1 Chocolate	Pancake Batter
I Circle the words that describe the properties of each material.	
Round 1 - Start	ting Properties
solid / liquid sticky / smooth can break into pieces / cannot break into pieces	solid / liquid drippy / spongy white / golden
Round 2 -	Heat it up!
solid / liquid	solid / liquid
sticky / smooth  can break into pieces / cannot break into pieces	drippy / spongy white / golden
other:	other:
Round 3 - 0	Cool it down!
solid / liquid sticky / smooth can break into pieces / cannot break into pieces	solid / liquid drippy / spongy white / golden
other:	other:
	Undo? ar to what you observed in Round 1?
YES / NO	YES / NO
I think this because the properties of chocolate	I think this because the properties of pancake
are similar in Round 3 and in Round 1.	batter are NOT similar in Round 3 and in Round 1
