

Name: _____

Paper Cup Telephone

1. EXPLAIN HOW IT WORKS

How do you think the paper cup telephone works? Draw and describe what happens to the sound as it goes from cup to cup.

The diagram shows a paper cup telephone setup within a rounded rectangular frame. On the left, a paper cup is labeled "VOICE". On the right, a paper cup is labeled "EAR". A thin line connects the two cups. Below the frame, three dashed arrows point upwards to the line, each leading to a grey rounded rectangular box. Each box contains the text "What happens here?" followed by three horizontal lines for writing.
