

Lesson: How can the Sun help you if you're lost?

| | |
|----------------|---|
| east | one of four main directions; if you are facing north, it is to the right |
| forest | a place with lots of trees |
| pattern | something that happens again and again and again in a way that can be predicted |
| predict | to guess what will happen based on things you know |
| Sun | the large ball of light in the sky during the day |
| sunrise | when the Sun appears in the morning |
| sunset | when the Sun disappears in the evening |
| west | one of four main directions; if you are facing north, it is to the left |
