

## Lesson: How can the Sun help you if you're lost?

---

<b>east</b>	one of four main directions; if you are facing north, it is to the right
<b>forest</b>	a place with lots of trees
<b>pattern</b>	something that happens again and again and again in a way that can be predicted
<b>predict</b>	to guess what will happen based on things you know
<b>Sun</b>	the large ball of light in the sky during the day
<b>sunrise</b>	when the Sun appears in the morning
<b>sunset</b>	when the Sun disappears in the evening
<b>west</b>	one of four main directions; if you are facing north, it is to the left
