Lesson: “How can stars help you if you get lost?”

VIDEO TRANSCRIPT

INTRODUCTION VIDEO 1

Hi, it's Doug! Today, you're going to read a story, but this isn't just a story. It's a story about asking questions and learning how to figure out the answers. This story is about Ryan, who goes camping with his dad. At night, he and his dad explore the night sky through a telescope and discover something special about one of the stars in the sky. You going to read about Ryan's adventure. As you read, you'll also get up and move, look for clues, and talk about your ideas. Let's turn the page and get started.
