mystery science

Lesson: “What does your shadow do when you're not looking?”

VIDEO TRANSCRIPT

INTRODUCTION VIDEO

Hi, it's Doug! Today, you're going to read a story about someone named Jada. One summer day, she goes to the beach and notices that sometimes she can see her shadow, but other times she can't find it. You're going to read about what happens when Jada starts playing with her shadow, but you aren't just going to read. Sometimes you get up and do something, look for clues, or stop to talk about your ideas. Let's turn the page and get started.
