Anchor Phenomenon

Date: _____ Your Ideas-Version #: _____

A black and white illustration of a night sky filled with stars of varying sizes. In the foreground, there is a landscape with rolling hills, several trees of different shapes, and some small bushes. A white rectangular box is positioned in the lower center of the image. Inside this box, there is a simple line drawing of an upward-pointing arrow. Below the arrow, the text "Looking North" is written in a bold, sans-serif font.

A diagram of the solar system. On the left is a large yellow circle labeled 'The Sun'. In the center is a smaller Earth with a blue and white pattern, labeled 'You are here (star trails photo was taken here)'. To the right of Earth is a small white circle labeled 'Moon'. The background is black with many small white dots representing stars.

If you need more space for drawings or notes, use the back of this page.
