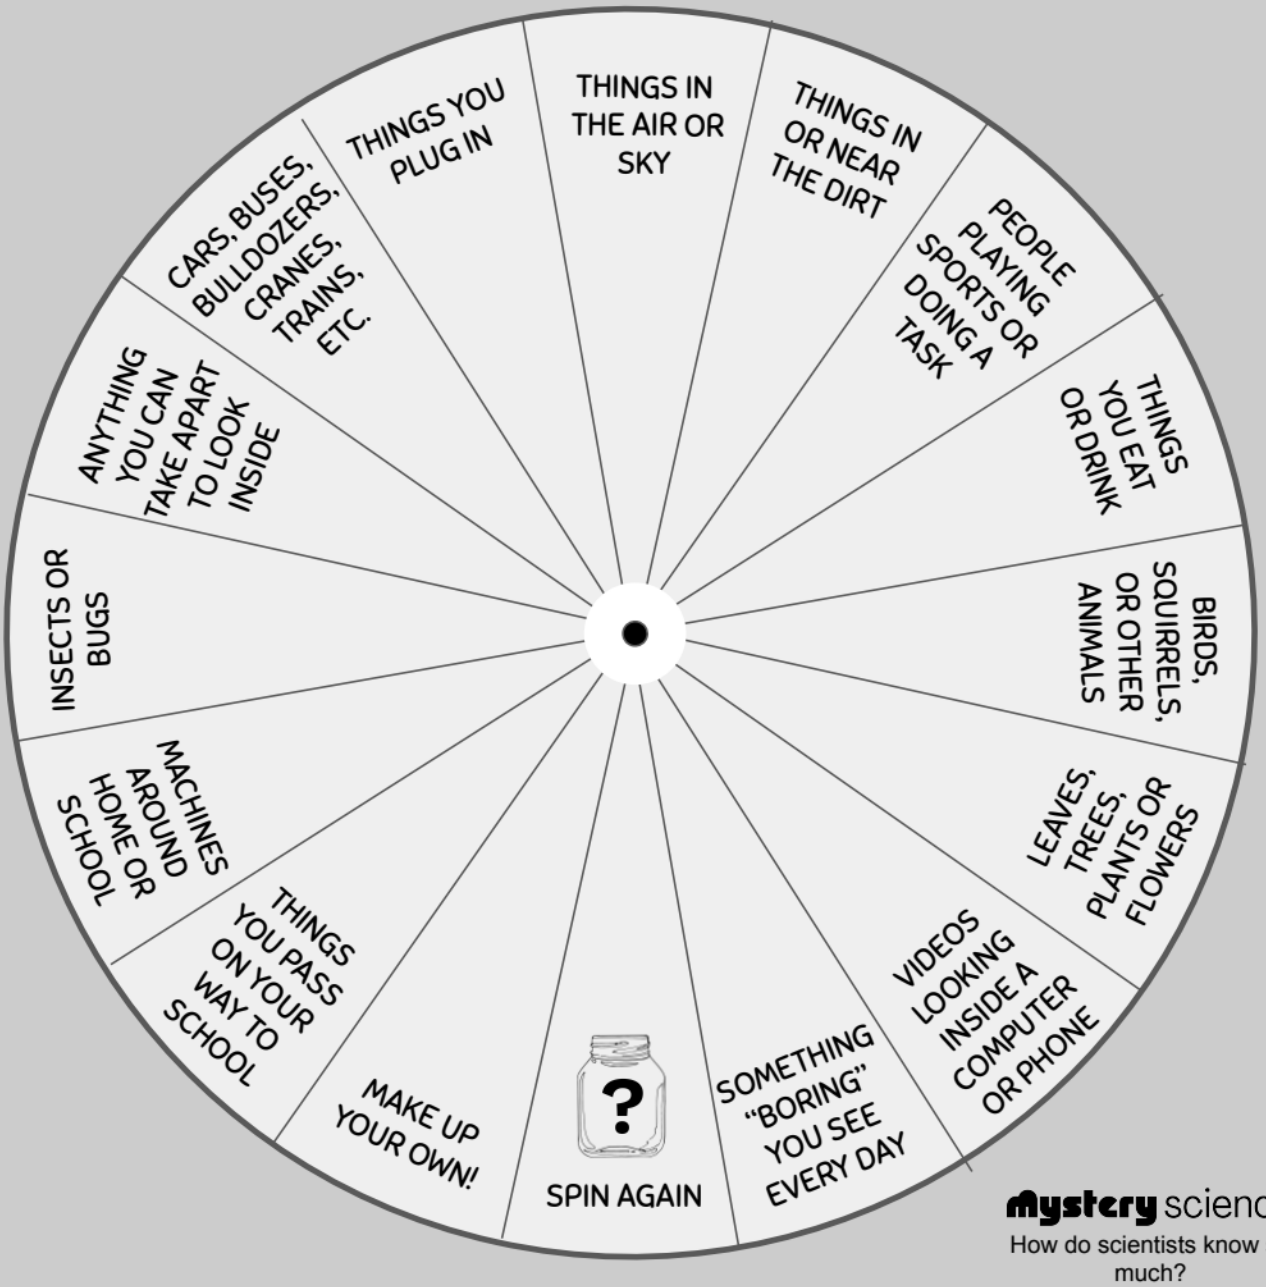
WEEKLY

Curiosity Wheel

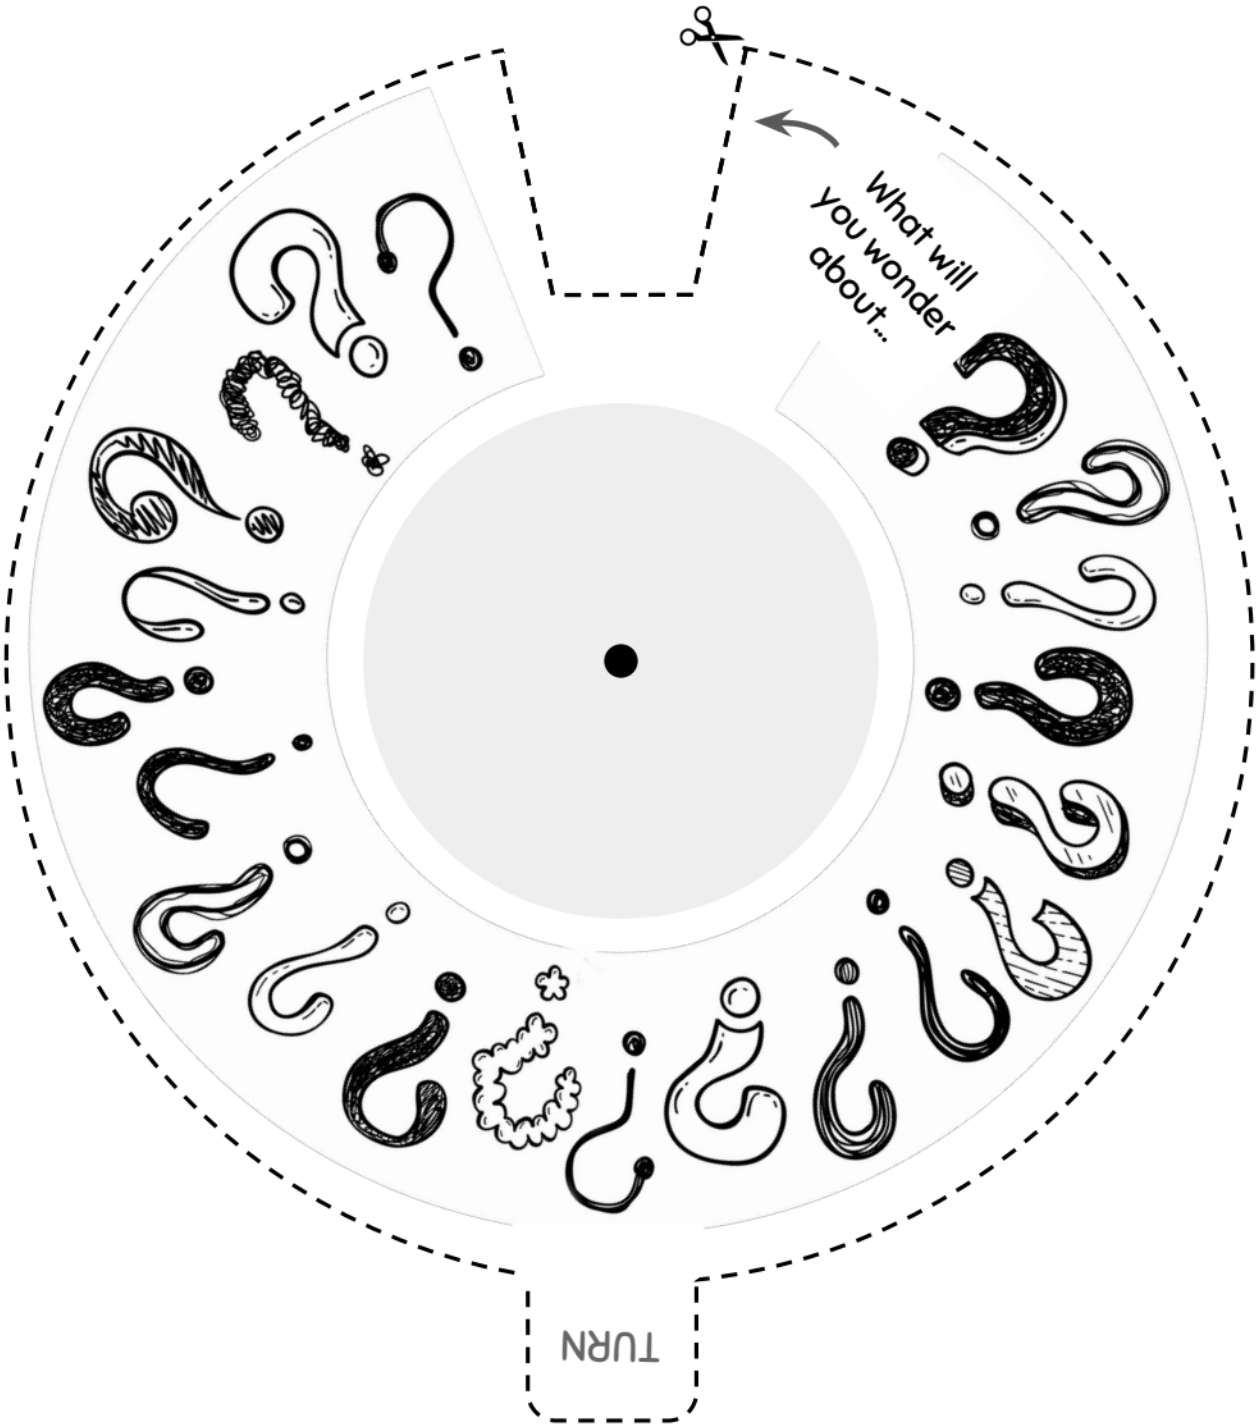
- Every week, turn the Curiosity Wheel for 3 seconds.
- Find an object that matches what you land on.
- Draw it and write down your questions. Stay curious!



Mystery science

How do scientists know so much?

Page 2 - The Spinner



INSTRUCTIONS:

1. Cut along the dotted lines on page 1 (rectangle) and page 2 (spinner).
2. Use a pencil to poke a small hole in the center black circle on both pages.
3. Place the cut-out spinner on top of the cut-out rectangle.
4. Line up the pencil holes that you made in Step 2.
5. Put a brad through these pencil holes.
6. Spread the prongs of the brad to secure the spinner to the rectangle.
7. (Optional) Glue the whole thing into your science notebook.
