
Supply Revision

Our Supply Calculator shows supplies needed for the 2019/20 school year. This includes any revisions or updates we've made in 2019.

If you prepped for this lesson before July 2019 and would like to make sure you have the correct supplies for the coming school year, you can learn more about our revised activity below.

In this case, the types or quantities of supplies may have changed since you last prepped.

Unit: Animals Through Time
