# Lesson: “Why do family members look alike?”

## VIDEO TRANSCRIPT

### INTRODUCTION VIDEO

Hi, it's Doug! Today, you're going to read a story about someone named Amy. Amy's ears stick out a little bit. Sometimes other kids ask her, “Where did you get those big ears?” You're going to read about how Amy figures out where she got her ears, but you aren’t just going to read. Sometimes you'll get up and do something, you'll look for clues, or stop to talk about your ideas. Let's turn the page and get started.
