

SUMMER SUNSHINE

1st-Grade Reader

mystery science

Why do you have to go
to bed early in the summer?

Here comes
the sun.

Time to wake
up!

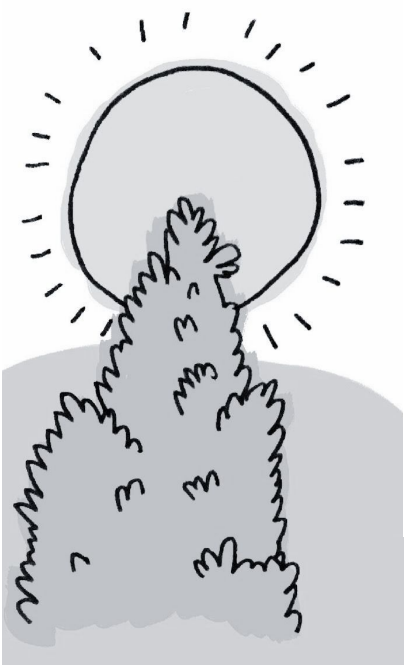

“The sun is out,” I tell my mom. “Can Pete and I go play?”

Pete and I play
outside.

Pete runs in the
grass.

Mom says,
“Time for
lunch!”

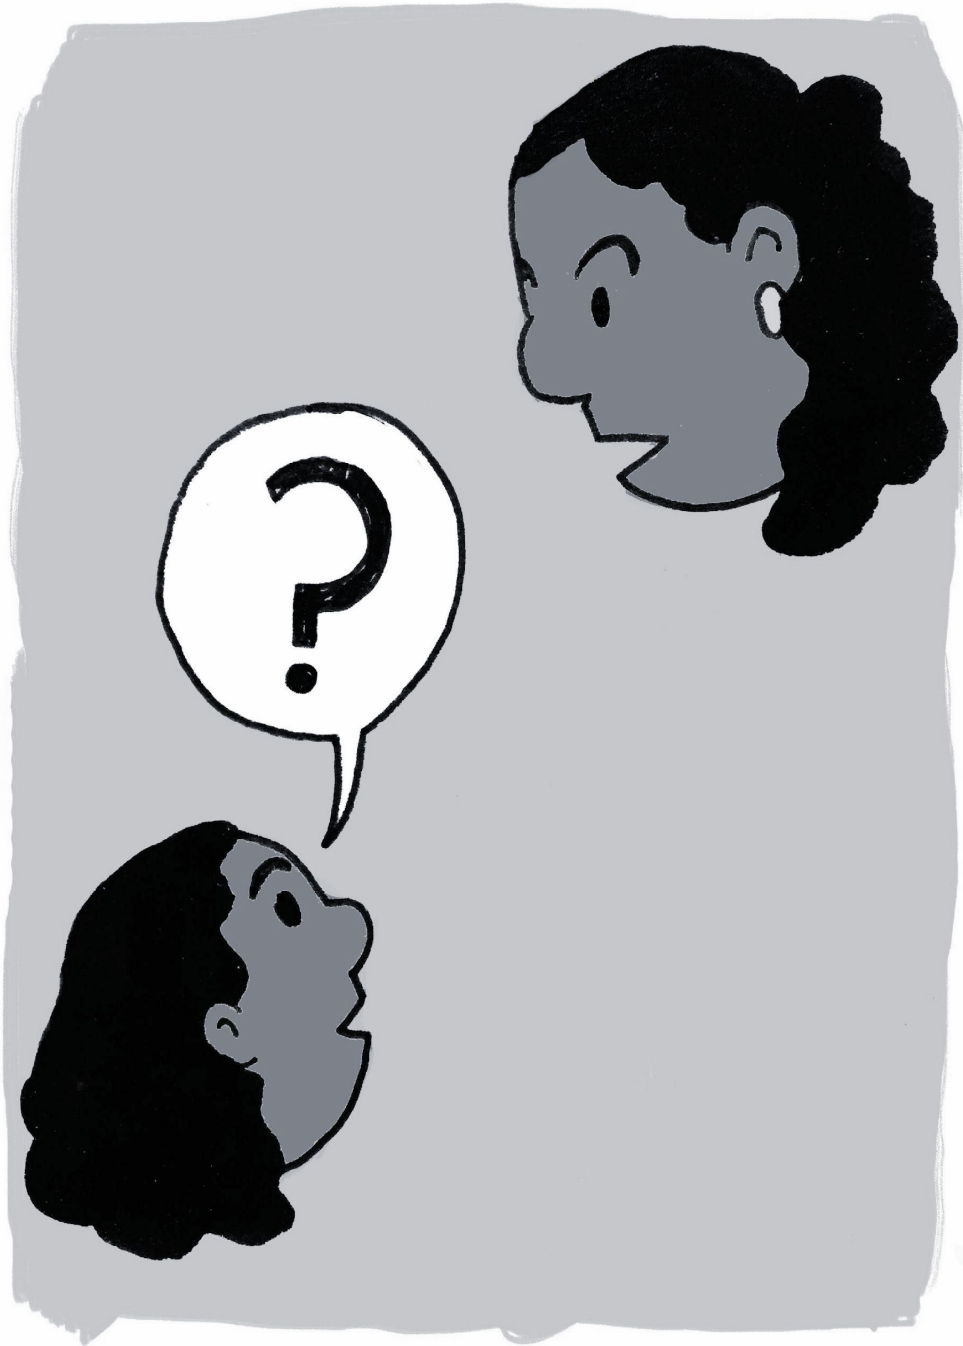

I eat my
lunch.

I drink my
milk.

I run back out
to play!

“It’s getting late,” Mom says.

“It is?” I ask

“But it’s not
dark outside.”

“Summer days
are long.”

“In winter, the sun sets early. It’s dark at bedtime.”

“In summer,
the sun rises
early and sets
late. We have
more hours of
sunshine.”

“The summer days are longer! But your bedtime is the same!”

I eat my
dinner.

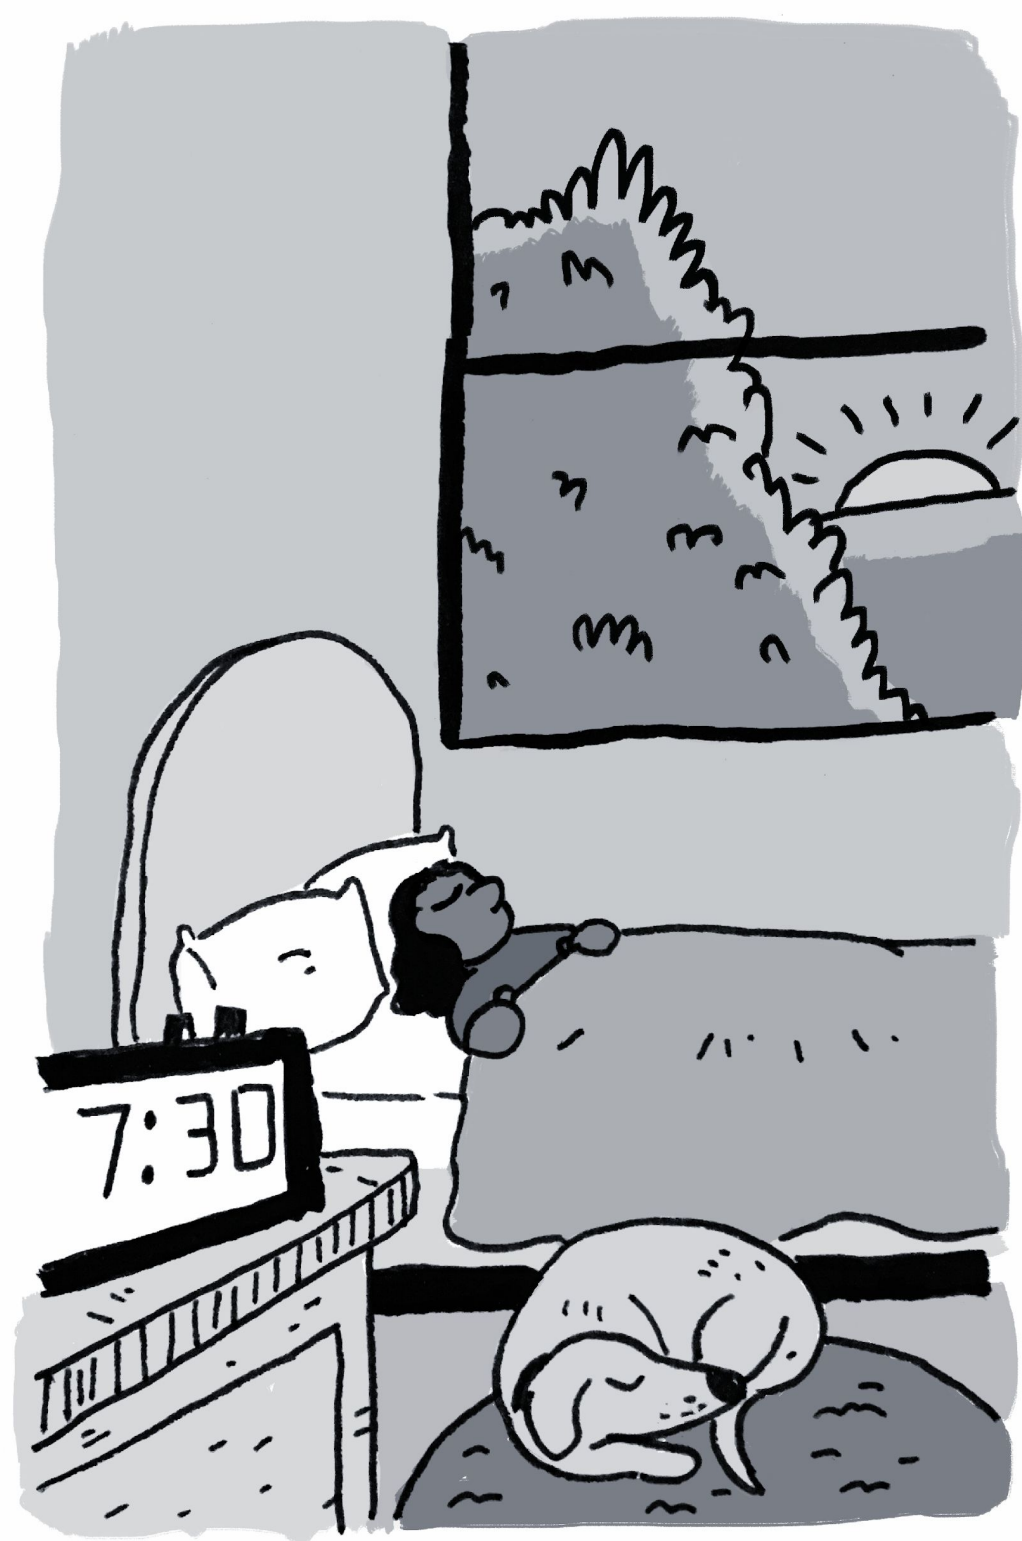

I brush my
teeth.

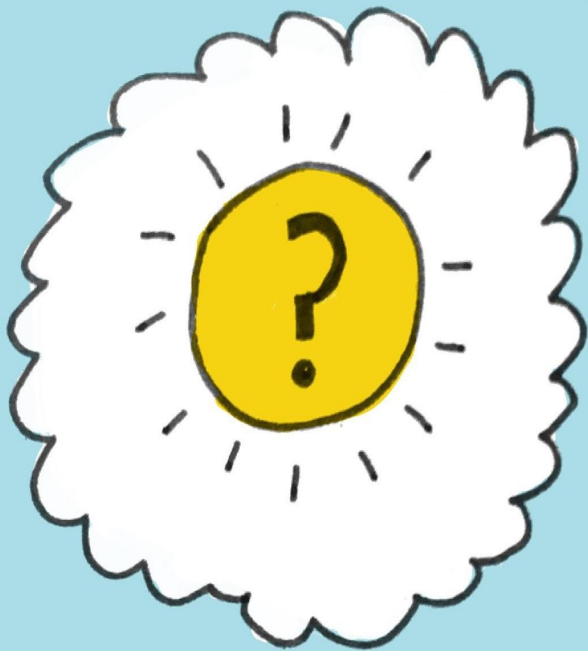

I read my
book.

“I guess it is
bedtime after
all.”

Goodnight!
